

NEW PRODUCT ANNOUNCEMENT

The LeMond Fitness Sport

**Only Greg LeMond
Could Make Indoor
Cycling This Much Fun**

Feel like a kid again with the LeMond RevMaster Sport – the next exceptional indoor exercise bike from LeMond Fitness. Not only does the RevMaster Sport give you a terrific workout, it's fun to ride – with easy adjustments to the seat and handlebars to make your workout comfortable and effective. Designed with the famous LeMond Fitness X-Frame for stability and ease of use, the RevMaster Sport combines the high quality features of the original LeMond RevMaster with a traditional handlebar – making it our most affordable indoor exercise bike.

Discover the LeMond Fitness difference – the only exercise bikes designed like great road bikes, for outstanding performance and customer satisfaction.
