KEY FEATURES

Tri-color dot matrix display with advanced programming

17"-29" electronically adjustable stride length allows the user to find the stride that fits their body and workout style

Vari-Stride™ programs slowly increase stride length for greater calorie burn and work multiple muscle groups in one session

Dual-action motion provides a total body workout

MyFlex™ pedal cushioning system provides a comfortable workout platform

Optional entertainment screen bracket

The E870 features an easy-to-operate dot matrix display with bright LED readouts. A numeric keypad makes entering workout data simple.
