BE ALERT!

THE FITNESS EQUIPMENT IN THIS FACILITY PRESENTS HAZARDS WHICH, IF NOT AVOIDED, COULD CAUSE SERIOUS INJURY OR DEATH.

Prior to using the equipment, READ the warning labels and instruction placards affixed to each machine.

If you are unsure on how to use a machine, seek the assistance of our floor personnel. We will be happy to instruct you on how to use the equipment properly.

Immediately report any piece of equipment that is not functioning properly to our floor personnel so that it may be evaluated and service promptly.

DO NOT ATTEMPT to use or fix any piece of equipment that is not functioning properly.

ASTM F1749-96

TUFFSTUFF FITNESS INTERNATIONAL, CHINO, CA 91710

WARRANTY
LIGHT COMMERCIAL <u>TEN (10) YEARS:</u> • Frames, welds, cams and weight plates <u>FIVE (5) YEARS:</u> • Pivot bearings, pulleys, bushings, gas shocks and guide rods <u>ONE (1) YEAR:</u> • Belts, linear bearings and pull-pin components ALL OTHER PARTS not mentioned, one year from the date of delivery to the original purchaser.
SIX (6) MONTHS: • Upholstery, cables, finish and rubber grips
Light Commercial Use: Light Commercial warranty applies only to facilities like hotels, apartment complexes, personal training studios, fire & police stations, etc. where the equipment would be used by no more than 30 people per day. Refer to the Owner's Manual for details, assembly & maintenance requirements, review and under- stand all danger, warning and caution labels.
All warranty periods begin to run from the date of delivery to the original purchaser. The obligation of TuffStuff under this warranty is limited to repairing or replacing warranted defective parts, as TuffStuff may elect, at TuffStuff's facility in Chino, California, without charge to the Purchaser for either parts or labor. Purchaser is responsible for installation of repaired or replaced parts, and all transportation and insurance costs to and from TuffStuff's facility in Chino. For a detailed copy of the warranty, please contact:
TuffStuff Fitness International Chino, CA 91710, USA www.tuffstuffitness.com _{BNH3136}

(104)

It is extremely important that the BE ALERT! (87) Sign shown to the left	
be installed in plain view of the unit.	

You should have received it along with this Owners Manual. If you did not receive this Sign with your order, you can obtain one at no cost to you from TuffStuff Fitness by contacting our service department at:

INSPECTIONS

Chino, CA 91710, USA www.tuffstuffitness.com BNH3137

Anchoring Unit

Holes on footplates are provided for anchoring the unit to the floor. (See anchoring hole locations below)

Important Safety Instructions

It is the responsibility of the facility owner and/or owner of the equipment to review the Owner's Manual with their facility personnel and understand all Danger, Warning and Caution labels affixed on the machine. It is the responsibility of the floor personnel to instruct users on proper operation of the equipment and review all danger, warning and caution labels.

WARNING SERIOUS INJURY OR DEATH CAN OCCUR IF THESE SAFETY PRECAUTIONS ARE NOT OBSERVED:

- 1. Obtain a medical exam before beginning any exercise program.
- 2. Read and understand Owner's Manual and all **Danger, Warning** and **Caution** labels before using this equipment. If you still need help, seek assistance from floor personnel.
- 3. **Inspect the equipment** before each use for wear and tear, loose fittings, worn or frayed cables and frame welds. DO NOT USE if it appears to be inoperable or damaged.
- 4. Stop exercising if you feel faint or dizzy. Consult a physician if you are experiencing pain.
- 5. Use this equipment only for the intended use.
- 6. Keep body, clothing and hair clear from all moving parts. Do not attempt to free any jammed parts by yourself.
- Always warm-up before and cool-down after weight training. Warm-up for 10-15 minutes with stretching and cardiovascular exercises. Cool-down should include light stretching exercises for 5-15 minutes.
- Never hold your breath will limit the flow of oxygen to your brain and may cause dizziness. The most often used breathing pattern is inhaling during least resistance and exhaling during maximum resistance.
- 9. Do not use accessories or accessory attachments that are not recommended by TFI.
- 10. Make sure selector pin is completely inserted. Use only the selector pin provided by the manufacturer.
- 11. Never pin the weights in an elevated position. Do not use the machine if found in this condition.

Facility Safety Guidelines and Practices

- 1. Read and understand the Owner's Manual before assembling, servicing or using the equipment.
- 2. Equipment to be installed by TFI Authorized Dealer or Professional Service Company approved by TFI.
- 3. Make sure each machine is set up and operated on a solid level surface. Do not install equipment on an uneven surface.
- 4. Provide an adequate safety perimeter between the machine, walls and other equipment to ensure that the facility has proper clearance for usage and training.
- 5. Post and disclose all safety, rules and regulations on a bulletin board easily accessible to users.

- 6. **Anchoring of equipment must be completed** at time of installation and inspected prior to use. Failure to anchor the machine to the floor could cause the machine to tip or fall over due to incorrect usage and misuse, and could result in serious injury or death.
- 7. Perform regular maintenance (see Inspection Label). Pay special attention to areas most susceptible to wear and tear, including but not limited to cables, pulleys and rubber grips.
- 8. **Do not** lean against or pull on the framework, weight stack or any component at all times.
- 9. **Children must not** be allowed near the equipment. Teenager must be supervised.
- 10. Replace immediately all parts at first sign of wear or damage. If unable to replace worn or damaged components/parts, remove machine from service until the repair is made.
- 11. Use only genuine TuffStuff replacement parts. Failure to do so will void warranty and could result in serious injury or death to the users.
- 12. **Do not remove** any decals affixed to the machine. Replace if damaged.
- 13. **Do not alter or modify** the original manufacturer's weight stack with any add-on incremental weights, weight plates or dumbbells except those with standard factory installed option.
- 14. Maintain a service contract with a TFI Authorized Dealer or a Professional Service Company approved by TFI. Keep a service log of all maintenance and repair activities. NOTICE: It is the sole responsibility of the owner or facility operator to ensure that regular maintenance is performed.

A DANGER

DANGER: indicates an imminently hazardous situation which, if not avoided, will result in death or serious injury.

AWARNING

WARNING: indicates a potentially hazardous situation which, if not avoided, will result in death or serious injury.

A CAUTION

CAUTION: indicates a hazardous situation which, if not avoided, could result in minor or moderate injury.

Thank you for purchasing the CDP-300 Dual Adjustable Pulley System W/150 lbs Weight Stacks. This machine is part of the TuffStuff line of quality strength training equipment. To maximize your use of the equipment, please study the Owner's Manual thoroughly.

Registration

To avoid unnecessary delays on warranty parts and to insure that a permanent record of your purchase is on file with our company, be sure to register online at:

http://www.tuffstuffitness.com

or mail to address shown below within 10 days of purchase.

Obtaining Service

Please use this Owner's Manual as your guide to all parts included in your shipment. When ordering parts, you must specify the part number and description from this manual. Use only genuine TuffStuff replacement parts when servicing the equipment. Failure to do so will void warranty and could result in serious injury or death.

	Customer Service
	13971 Norton Avenue, Chino, CA 91710

Retain this Owner's Manual for future reference when ordering service or parts. To assist you better, please be prepared to provide the following information:

1. Model Number

- 2. Place of Purchase
- 3. Serial Number
- 4. Part # and Description

Required Tools

The basic tools that you will need to assemble the CDP-300 but are not limited to:

- 7/16", 9/16", 3/4" Combination Wrenches
- Ratchet Wrench with 7/16", 9/16", 3/4" sockets
- Crescent Adjustable Wrench
- Phillips Screwdriver
- Rubber mallet, measuring tape & utility knife •
- Super Lube[®] spray lubricant and grease
- Windex or household glass cleaner

Assembly Requirements

Follow these installation requirements when assembling the CDP-300. Use the overhead view on the Content Page to layout your floor plan before assembling.

Set up the CDP-300 on a clean, solid, flat surface. A smooth, flat surface under the machine helps keep it level.

Allow ample space around the machine for safe unrestricted use and easier access.

Insert all bolts in the same direction. For aesthetic appearance, insert all bolts in the same direction unless specified (in text or illustration) to do otherwise.

Leave room for adjustments. Do not fully tighten fasteners until instructed in the assembly steps to do so (to prevent any difficulty with alignment of parts during the assembly process). When not instructed, tighten fasteners such as bolts, nuts and screws so the unit is stable, but leave room for adjustments.

Assembly Tips

Read all "Notes" on each page before beginning each step.

While you may be able to assemble the CDP-300 using the illustrations only, IMPORTANT safety notes and other tips are included in the text.

Some pieces may have extra holes that you will not use. Use only those holes indicated in the instructions and illustration.

NOTE: With so many assembled parts, proper alignment and adjustment is critical. While tightening the nuts and bolts, be sure to leave room for final adjustments.

CAUTION: Obtain assistance from TuffStuff if you have difficulty assembling the CDP-300. Please do not attempt to complete the assembly as this could result in equipment failure and serious injuries to the users.

Symbols & Description

Loosely Tighten & Loosely Tighten

Loosely tighten all hardware in this step. DO NOT Fully Tighten. Some component(s) may need pre-assembly and or alignment during the assembly process.

SFully Tighten

Wrench tighten all hardware in this step.

Perform regular maintenance (see Inspection Label). Pay special attention to areas most susceptible to wear and tear, including but not limited to cables, pulleys and rubber grip. TFI recommends you maintain a service contract with a TFI Authorized Dealer or a Professional Service Company approved by TFI. Keep a service log of all maintenance and repair activities. Extra copies can be downloaded from our website www.tuffstuffitness.com

Weight stack labels and lubrication instructions

- 1. Wipe front surface of weight stack with rubbing alcohol and wipe dry.
- 2. Peel off back sheet (adhesive side) from label (#86) and make sure that the label remains attached to the application tape.
- 3. Line up hole of the second label to the hole of the first weight plate.
- 4. Make sure the hole of the last label lines up with the hole of the last weight plate and slowly press into place.
- 5. Gently remove application tape and rub each label firmly against the weight stack.
- 6. Once this is complete, repeat this procedure for Top Plate label.
- 7. Allow labels to stand for 2 days to allow adhesive to cure fully.
- 8. Open the lube package provided and apply a thin film of lubricant around the first 3 inches of the guide rods above the Top Plate.
- 9. After the cables are installed, do a set of reps to spread the lubricant thoroughly.

Step 10 Top LEFT SIDE Cable Assembly

Step 11 Bottom LEFT SIDE Cable Assembly

Step 13 Bottom RIGHT SIDE Cable Assembly

<u>Step 14</u>

Fully Tighten

Note:

100% Proceed to inspect; align and wrench tighten ALL hardware assemblies specially those left loosely fasten, making sure the unit is assembled square and perpendicular.

LIGHT COMMERCIAL WARRANTY

This warranty applies only in the United States to the products manufactured or distributed by TuffStuff Fitness International (TFI) under the TuffStuff brand name. TFI warrants to the original purchaser that TuffStuff equipment will be free from defects in material and workmanship. All warranty periods begin to run from the date of purchase to the original purchaser. The warranty and remedies set forth herein are conditioned upon proper storage, installation, use and maintenance and conformance with any recommendations of TFI. This warranty does not cover products not manufactured by TFI or products which are altered without the express written consent of TFI.

LIGHT COMMERCIAL WARRANTY:

- **TEN (10) Years:** Structural main frames, welds, cams and weight plates.

 FIVE (5) Years: Pivot bearings, pulleys, bushings, guide rods and gas shocks.

 ONE (1) Year: Belts, linear bearings and pull-pin component.
- **ONE (1) Year:** Belts, linear bearings and pull-pin components.

All other parts not mentioned elsewhere in the warranty will expire one (1) year from the date of purchase to the original purchaser.

SIX (6) Months: Upholstery, cables, finish and rubber grips.

Light Commercial Use:

Light Commercial Warranty applies to facilities like hotels, apartment complexes, personal training studios, fire & police stations, etc. where the equipment would be used by no more than 30 people per day.

HOME LIFETIME WARRANTY:

LIFETIME of the equipment while owned by the original purchaser (applies only to defects from manufacturer only).

This warranty does not cover:

- 1. TuffStuff products sold for and used in a commercial or institutional environment.
- 2. Any damage, failure or loss caused by accident, misuse, neglect, abuse, improper assembly, improper maintenance, or failure to follow instructions or warnings in the owner's manual and warning labels posted on the machines.
- 3. Use of the product in a manner for which it was not designed.
- 4. Original product that is altered, or the use of replacement parts and components of another manufacturer other than TuffStuff.

The obligation of TFI under this warranty is limited to repairing or replacing warranted defective parts as TFI may elect, at TFI's facility in Chino, California, without charge to the purchaser. Purchaser is responsible for installation of repaired or replaced parts, and all transportation and insurance costs on returned or replaced equipment to and from TFI's facility in Chino.

THE FOREGOING SHALL CONSTITUTE THE SOLE REMEDY OF THE PURCHASER AND THE SOLE LIABILITY OF TFI WITH REGARD TO WARRANTY. NO IMPLIED STATUTORY WARRANTY OR IMPLIED STATUTORY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY. IN NO EVENT, WHETHER AS A RESULT OF BREACH OF CONTRACT, WARRANTY, NEGLIGENCE OR OTHERWISE, SHALL TFI BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS OR REVENUE, LOSS OF USE OF EQUIPMENT, COST OF CAPITAL, COST OF SUBSTITUTION EQUIPMENT, DOWNTIME COST, OR CLAIMS OF CUSTOMERS OR PURCHASER FROM SUCH DAMAGE.

This written warranty is the final, complete and exclusive agreement of the parties with respect to the quality or performance of the equipment and no action for breach of this written warranty or any implied warranty shall be commenced more than one (1) year after the accrual of the cause of action. No modification of this warranty or waiver of its terms shall be binding on either party unless approved in writing by an authorized representative of the party. Contact TuffStuff Fitness International at 13971 Norton Avenue, Chino, CA 91710, before returning any defective equipment.

This warranty gives you specific legal rights and you may also have other rights, which may vary from state to state.
