*LAAKSO rocking lounger*  
*& OHRA cushion*

**LAAKSO** is a rocking lounger ideal for the moments of recovering from your daily activities and having a place dedicated for relaxation. Following in the footsteps of our beloved kids' version LUOTO, LAAKSO is designed to offer a comfortable rocking experience especially for adults while incorporating familiar activity-promoting features from the LUOTO climbing arch.

The gentle rocking motion has been shown to have numerous calming and relaxing benefits, such as reducing stress and anxiety, improving the quality of sleep, and enhancing concentration. Whether you like to unwind by delving into a good book, playing video games, binge-watching your favorite series, or knitting, LAAKSO is the perfect cozy spot for doing those things.

For the utmost comfort, pair it with our plush OHRA cushion and specially designed wedges that enable you to lock the rocking lounger into a specific position.

OHRA cushion ensures maximum comfort.

With the wedges, you can lock the rocking lounger into the desired position.

**LAAKSO rocking lounger** and the wedges are designed in Finland and made in the EU from sustainably sourced birch plywood. They are available in birch color.

**OHRA cushion** is made of 100% recycled fabric (87% recycled cotton, 13% recycled polyester – Öko-tex standard 100). It is filled with 60% recycled polyester and 40% foam chips (may contain individual down feathers).
