

DUAL ACTION SMITH

The HOIST® Fitness MiSmith Dual Action Smith® is an innovative product from the new line of HOIST Fitness MiSeries home gyms. Perfect for users of all levels, the MiSmith features revolutionary patented technology that produces a simultaneous horizontal and vertical bar movement, providing the benefits of free weight training with added safety and stability. The Ultra-Light Lifting System™ reduces the bar weight to 30 lbs. allowing a wider range of exercise options. While this gym is engineered to offer maximum power and efficiency, its sleek and minimalist design offers a luxurious appeal.

FEATURES

- Ultra-Light Lifting System™ that reduces the bar weight to a mere 30 lbs
- Polyurethane covered rack outs for silent racking and protection of bar and frame
- Non-marring feet to protect flooring
- Commercial quality linear bearings and shafting for frictionless guided motion
- Adjustable safety tiers
- Racking tier index numbers highlight tier levels on the front of machine

Free HOIST Strength app provides access to dozens of exercise tutorials, workout plans and fitness training
