

Tunturi R20 rowing machine

The Competence line from Tunturi is the perfect choice for beginners. With a Tunturi Competence rowing machine, you get a high-quality and easy-to-use fitness machine for simple home use. The Tunturi Competence R20 is a rowing machine with 3 different programs and 8 resistance levels. The integrated monochrome LCD display with the few control buttons makes this rowing machine very easy to use.

CHF 699.00

The resistance is generated by a magnetic brake system and controlled manually. The maximum user weight is 135 kg.

The Competence R20 is a foldable rowing machine and therefore very space-saving. When folded up, the length is reduced from 209 cm to 155 cm.

An optional chest strap can be used for heart rate measurement.

Features:

- Manual magnetic brake
- Monochrome LCD display showing training time, distance, calories burned, time/500m, rowing strokes per minute, heart rate
- 1 manual training program
- Quick start function
- recovery
