

Finnlo BioForce accessory set (3811)

The Bio Force Accessory Set is the optimal complement to the Bio Force strength station.

CHF 199.00

Three different handles invite you to try out more exercises on the Bio Force. In addition to a triceps rope, single handles open on one side and comfortable loops made of nylon for rope pull variations are also included. The Bio Force Accessory Set can be stored in a plastic tray that can be integrated into the frame of the Bio Force Accessory Set and is not noticeable.

- Accessory set for all Bio Force power stations
- even more exercise variations possible
- inclusive integrable storage box
- 2x handles, 2x foot straps and 1x triceps rope
