

TRX Door Anchorage

The TRX Door Anchor is specially designed for use in hotel rooms and at home. Door anchor simply clamp in a sturdy door and turn any room into a gym. The felt cover prevents damage to the wood in the process.

CHF 29.00

With the ultra-soft black door anchor in a new product design, you can turn any room into a 24-hour open gym - and without leaving marks in the wood or scratches in the paint. The included "workout in progress!" Security Card prevents doors from opening and threatening injury while you complete your workout.
