

Sponser Red Power Gums 20 x 75g

Handy snacks for more performance during training and competitions. The Red Power Gums are particularly suitable during energy shortages.

CHF 64.00

A sachet of 10 gums contains 150 mg of caffeine and 58 g of rapidly available carbohydrates, which provide an instant energy kick. The Red Power Gums can be used as an alternative to Activator or energy gels.

Enriched with B-complex vitamins as well as taurine and glucuronolactone as antioxidants.

The Red Power Gums are easy to portion and ideal for controlled intake during sporting activities, especially over long distances.

Benefits:

- Caffeine for better performance (150 mg/75 g)
- Vitamins to support the energy metabolism
- Antioxidants
- Quick and handy source of energy

Flavor: Fruit Mix

Packaging unit: 20 sachets of 75g per display

Content: 1500g
