

Schiek wrist guard 1112B/1124B

Schiek Sports wrist bandages with Velcro fasteners are put on in no time. The thumb loop prevents slipping. They provide optimum support for the wrist and prevent tendon sheath inflammation. The Schiek wrist protector provides full safety and support during training.

CHF 38.90

The bandages are made of an approx. 8cm wide elastic, heavy cotton material and have an extra wide velcro closure. Made in the USA.

Please choose from 2 different lengths (30cm (1112B) or 60cm (1124B))

Packing unit 1 pair
