

Sponser Pro Recovery 900g can

PRO Recovery is a protein supplement designed according to the latest scientific findings for the demanding endurance and strength athlete.

CHF 47.70

50% Protein 36% Carbo + Colostrum + Amino Acids - the unique combination of the high-quality protein components whey, egg and casein in a ratio of 1:1:1 as well as colostrum and potato-egg protein hydrolysate in a quickly available peptide form together with the amino acids L-leucine, L-glutamine and L-arginine support muscle building and recovery. Endurance athletes in particular benefit from a protein supply that meets their needs in the areas of immune defense, regeneration and performance. With bovine colostrum, which is rich in immune and growth factors for the newborn. Additionally enriched with L-carnitine, minerals and vitamins, which are essential for energy and protein metabolism. L-Carnitine also has antioxidant properties and promotes regeneration.

Advantages:

- High-quality fast- and slow-available protein sources, with colostrum, among others.
- Lactose free
- Without artificial sweeteners
- Practical water preparation

Directions:

Preferably before and after exercise 1 shake each.

Ingredients:

protein powder (casein, whey protein isolate from cross flow microfiltration, egg albumin, potato and egg protein hydrolysate), sucrose, fructose, amino acids (L-leucine, L-glutamine, L-arginine), bovine colostrum flavors, thickeners (guar gum, xanthan gum), L-carnitine tartrate, 5 minerals, emulsifier soy lecithin, 10 vitamins.
