

NOHrD inclined bench to wall bars

The incline bench can be hung on each rung (max. height 95cm) of the WallBars and thus in different angles. It serves as a training bench or as a back support. After training, it can be hung on a rung to save space.

CHF 279.00

Space-saving

Effective not only during training - after the workout, the incline bench can be easily and conveniently hung on the wall bars.

Quality and design

Solid wood and durable leather: the incline bench is the logical combination of these two natural materials.

Precisely handcrafted

Each incline bench is precision handcrafted and tested for load-bearing capacity - true custom work with the "Made in Germany" label.

Genuine leather

Hand-finished black leather gives each incline bench that special look.

- can be hung in different heights
- available in artificial or genuine leather in black upholstery color
- made of black stained wood
- maximum height 95cm
- dimensions: 136 x 33cm
