

## Finnlo additional weight for Autark Multistations 1500/2200/2500/2600 (3835)

20kg additional weight for the multistations Autark 1500 / Autark 2200 / Autark 2500 / Autark 2600. With the additional weights of 4 x 5kg, every exercise on the Autark strength stations becomes even more effective. Twenty extra kilos provide new training stimuli for every exercise and encourage the muscles used to grow even more.

**CHF 159.00**
