

Body Solid Pro Select Abdominal Back Combi GCAB-STK

Free-standing abdominal-back combination station with 95kg weight magazine for targeted strengthening of the abdominal and back muscles.

CHF 1'890.00

This unique dual function machine allows you to work two large muscle groups (abs and back) at a great price.

This innovative commercial design features a full-range cam design with an easy-to-use pop pin that allows an additional 20 adjustments to increase control and range of motion.

A fully padded leg pad support with 7 positions allows for additional isolation of the abdominal and back muscles.

Features:

- 95kg weight magazine
- 30° positioning for precise biomechanical range of motion
- 20 adjustable start positions for great ROM
- 7 positions adjustable foot positioning
- easy changeover
- side handles
- sturdy steel frame construction
- resistant powder coating
- sturdy DuraFirm padding, tear-resistant, with double stitching, ergonomically shaped

Use: home use to light commercial use, payload: approx. 300kg

Equipment dimensions: L163 x W150 x H178cm, weight approx. 189kg

Warranty: 2 years on labor and spare parts (excluding consumables such as padding, cables)
