

Body Solid Pro Select Multi Functional Press Combi GMFP-STK

Free-standing Multi Functional Press with 95kg weight magazine for targeted strengthening of arm and upper body muscles.

CHF 1'890.00

The ProSelect Multi Press is the most versatile Selectorized piece in the Body Solid line.

With built-in functional training arms, the GMFP-STK allows vertical chest presses and incline presses from a multi-adjustable seated position. Then move to the opposite side and perform standing shoulder presses.

Equipped with 180-degree rotating pulleys, this multi-press unit can accommodate an exercise ball for stability exercises. This uniquely designed piece is perfect for any home or light commercial use.

Features:

- 95kg weight magazine
- Height adjustable seat
- 180° rotation of the pull handles
- sturdy steel frame construction
- resistant powder coating
- sturdy DuraFirm padding, tear-resistant, with double stitching, ergonomically shaped

Use: home use to light commercial use, payload: approx. 300kg

Equipment dimensions: L203 x W127 x H178cm, weight approx. 200kg

Accessories: 2 hand straps

Warranty: 2 years on labor and spare parts (excluding consumables such as pads, cables)
