

Option for SlimBeam: Ceiling mount

The SlimBeam ceiling mount allows the SlimBeam to be placed freestanding in the room.

CHF 195.00

If the SlimBeam is not to be mounted on the wall, then the practical ceiling mount often comes in handy: Suitable for different ceiling heights, the SlimBeam stands securely and firmly.

Available for:

- Ceiling heights from 2320-2420mm - CHF 229.--
- Ceiling heights from 2410-2590mm - CHF 239.--
- Ceiling heights from 2580-2760mm - CHF 249.--
