- Pre-waxed running deck and belt
- 90 mm rollers
- joint-friendly damping system (The Smooth Deck Shock Absorption System)
- Transport rollers and height compensation
- Side handrails
- Incline and speed settings possible using toggle switch on the side handrails

- Console with reading rack and tablet holder
- Bottle holder
- Hand pulse sensors
- Polar compatible
- Instructions in English
- Color: anthracite
- recommended retail price CHF 5'990.-

Application: Home use to continuous commercial use, payload: approx. 182kg

Device dimensions: L215 x W93 x H149cm, weight 165kg

Accessories: integrated pulse receiver, hand pulse sensors, bottle holder

Options: Transmitter belt, floor protection mats

Warranty: home use: 1 year full warranty, 2 years on labor and spare parts, 5 years on motor: light

institutional use (max. 3h per day): 1 year on labor and 2 years on spare parts: for continuous

commercial use: 1 year on labor and spare parts, excluding consumables

Engine power: 5 HP motor with AC inverter - NextGEN III Eco Drive System

Speed: 0.5-20km/h in 0.1km/h steps

Tread: 153 x 55 cm

Gradient: 0-18% in 1% steps

Training computer: LED display (6 LED + 8x32 DOT matrix)

Displayed values: Time, distance, calories burned, speed, heart rate, incline

Training programs: 6

Pulse-controlled programs: 2

User-defined programs: keine

Hand pulse sensors: Yes

Pulse receiver: 5khz

Multimedia: Tablet holder

Foldable: No

Accessories: integrated receiver for chest strap transmitter, hand pulse sensors, bottle holder, device holder

Options: Transmitter belt, floor protection mat

Folding dimensions (length / width / height): No

Dimensions (length / width / height): L 215 x W 93 x H 149 cm

Device weight: 165 kg

Payload: 182 kg

Insert: Heinbereich bis kommerzieller Dauereinsatz

Warranty: Home use: 1 year full warranty, 2 years on labor and parts, 5 years on motor: light institutional

use: 1 year on labor and 2 years on parts: for continuous commercial use: 1 year on labor and parts.
