

## Dymatize Super Mass Gainer 2349g can

Dymatize® SUPER MASS GAINER™ is a premium mass gainer that focuses on the specific needs as well as adequate calorie supply of bodybuilders, powerlifters and hardgainers who are in the build-up phase.

**CHF 56.90**

Especially during intensive training phases, an adapted and targeted nutrient supply is essential. It helps to support muscle growth, improve training performance and reduce fatigue. With our "POWERHOUSE Formula" we have developed a special matrix that provides you with a massive combination of creatine, carbohydrates and proteins to meet the special demands of your build-up phase.

Each serving contains 52g of high quality protein, including 11-12g of naturally occurring BCAAs + 3g of creatine, and delivers up to 243g of carbohydrates, depending on your taste - and it's even low in sugar\*.

Dymatize® uses only pure and high quality creatine monohydrate from Creapure®. Manufactured in Germany.

A daily intake of 3 g creatine increases physical performance during high-speed strength training in the context of short-term intense physical activity. The 5 vitamins included (vitamin C, niacin, pantothenic acid, vitamin B6 and folate) also help reduce fatigue and fatigue, while protein supports both growth and maintenance of muscle mass.

- 52 g of high quality protein per serving
- Of which 11 -12 g BCAAs\*\*
- Up to 243 g of carbohydrates per serving, depending on flavor
- With 3 g of pure creatine per serving
- Low in sugar\*
- Includes 5 vitamins
- Gluten-free
- Suitable for vegetarians
- Tested for banned substances by Informed-Choice to ensure both athlete safety and the highest product quality

- \* per prepared product, except Cookies & Cream
- \*\* BCAAs (branched chain amino acids: L-Leucine, L-Isoleucine, L-Valine) are naturally present in protein

**Directions**

1 serving per day, after training. Preparation (1 serving): Stir 3 scoops (enclosed) into 700 ml of water and mix well.

Only for adults during intense physical activity. Not suitable for children and adolescents. In addition to a varied, balanced diet and a healthy lifestyle.

**Ingredients**

Vanilla: Maltodextrin, milk protein (20%) (milk protein, whey protein concentrate, whey protein isolate, whey protein hydrolysate, micellar casein), sunflower oil, flavor, creatine monohydrate (1%), emulsifier [lecithins (contains soy), mono- and diglycerides of fatty acids], Thickeners (cellulose gum, xanthan gum, carrageenan), flavor enhancer (potassium chloride), sweeteners (acesulfame K, sucralose), anti-caking agent (silicon dioxide), ascorbic acid (vitamin C), nicotinamide (niacin), calcium D-pantothenate (pantothenic acid), pyridoxine hydrochloride (vitamin B6), folic acid.

Rich Chocolate: Maltodextrin, milk protein (20%) (milk protein, whey protein concentrate, whey protein isolate, whey protein hydrolysate, micellar casein), low-fat cocoa powder, sunflower oil, flavors, creatine monohydrate (1%), emulsifier [lecithins (contains soy), mono- and diglycerides of fatty acids], Thickeners (cellulose gum, xanthan gum, carrageenan), flavor enhancer (potassium chloride), sweeteners (acesulfame K, sucralose), anti-caking agent (silicon dioxide), ascorbic acid (vitamin C), nicotinamide (niacin), calcium D-pantothenate (pantothenic acid), pyridoxine hydrochloride (vitamin B6), folic acid.

Strawberry: Maltodextrin, Milk Protein (20%) (Milk Protein, Whey Protein Concentrate, Whey Protein Isolate, Whey Protein Hydrolysate, Micellar Casein), Sunflower Oil, Creatine Monohydrate (1%), Flavor, Color (Beta Red), Emulsifier [Lecithins (contains soy), Mono- and Diglycerides of fatty acids], Thickeners (cellulose gum, xanthan gum, carrageenan), flavor enhancer (potassium chloride), sweeteners (acesulfame K, sucralose), anti-caking agent (silicon dioxide), ascorbic acid (vitamin C), nicotinamide (niacin), calcium D-pantothenate (pantothenic acids), pyridoxine hydrochloride (vitamin B6), folic acid.

Cookies and Cream: Maltodextrin, milk protein (20%) (milk protein, whey protein concentrate, whey protein isolate, whey protein hydrolysate, micellar casein), flavors, sunflower oil, creatine monohydrate (1%), low-fat cocoa powder, emulsifier [lecithins (contains soy), mono- and diglycerides of fatty acids], Thickeners (cellulose gum, xanthan gum, carrageenan), flavor enhancer (potassium chloride), sweeteners (acesulfame K, sucralose), anti-caking agent (silicon dioxide), ascorbic acid (vitamin C), nicotinamide (niacin), calcium D-pantothenate (pantothenic acid), pyridoxine hydrochloride (vitamin B6), folic acid.

Banana: Maltodextrin, milk protein (20%) (milk protein, whey protein concentrate, whey protein isolate, whey protein hydrolysate, micellar casein), sunflower oil, creatine monohydrate (1%), flavors (milk), emulsifier [lecithins (contains soy), mono- and diglycerides of fatty acids], thickeners (cellulose gum, xanthan gum, carrageenan), flavor enhancer (potassium chloride), sweeteners (acesulfame K, sucralose), anti-caking agent (silicon dioxide), ascorbic acid (vitamin C), nicotinamide (niacin), calcium D-pantothenate (pantothenic acid), pyridoxine hydrochloride (vitamin B6), folic acid, colorant (curcumin).
