

## Waterrower Ergo Seat Cushion

The Ergo Seat Pad provides comfortable pressure relief with TekPad Gel, a medically proven pressure relief technology, and significantly increases seating comfort.

**CHF 49.90**

The Ergo Seat Cushion is specifically designed to meet the needs of rowers and is applicable to all Waterrower seats. The orthopedic seat cushion can help with back relief and thus possibly prevent back pain, pressure discomfort, numbness and sciatica pain during rowing workouts.

Mass: 30 x 18 x 2cm
