

TuffStuff SXT-550 Hybrid Deluxe Multistation

The SXT-550 Hybrid Deluxe Multistation from TuffStuff meets the highest demands. The SXT-5 Multistation combines functional training with the classic bench press arm and leg station. The high-quality workmanship, the patented leg extension/extension station, the noble 2-colored padding and many other features make the SXT-5 Hybrid Deluxe Multistation a training device in a class of its own.

CHF 4'990.00

Equipment:

- 3 pairs of rotating pulleys (upper, middle and lower pulley) with Cable Motion Technology.
- lower and middle pulley ratio 4:1 (25%)
- upper pulley 2:1 (50%)
- upper pulley for a variety of upper body pulling exercises (lat pulldown, triceps, ab crunch, crossover)
- middle pulley for a variety of exercises (ab crunch, pulling exercises)
