

Hoist Fitness 9 Station Tower (CMJ-6000-2)

The HOIST Commercial Multi Jungle System can be customized to meet the needs of both your gym and your members. Expand your Jungle from the 4-station version into a 6-station, 9-station or 14-station that connects to the crossover pull-up bar. The Jungle system always sparks user interest by providing the ability to perform a full body workout while offering a variety of exercises.
