

Hatton 10kg Corn Pear (JLBOX-HATMB)

Improve accuracy, agility and speed with the Hatton Leather Corn Ball. The cornball is shaped to withstand a variety of punches. The size and weight of the cornball allow the boxer to move, improving lateral body and head movement, as well as punch range and footwork.

CHF 149.00

Filling is an important part of any punching bag and at Hatton Boxing, extensive research and testing has been carried out during the product development phase to ensure that all Hatton punching bags are designed for maximum performance and durability. All Hatton punching bags are filled with an exclusive filling material that ensures that the shape is maintained even during the toughest training sessions and that the filling remains evenly distributed.

The unique properties provide maximum absorption on impact and minimise force on contact, allowing you to train longer and harder.

- handcrafted from genuine leather
- Foam lining to protect the boxer from impact
- weight approx. 10kg
