Micro Mobility Systems Micro Black (SA0034)

No more chance to keep up with the kids on their micros? The desire for convenient and easy mobility? We have the solution: The Scooter Micro Black! Specially designed for the demands of adults, this scooter with its extra-large wheels is ideally suited to cover longer distances comfortably and quickly. The footboard slightly hangs lower, ensuring an ergonomic and comfortable posture. With its elegant look, it is the perfect companion on campus, in the city or wherever it is needed.

CHF 199.00

Just like the micro scooter white, the micro scooter black accompanies you everywhere! Thanks to its extra-large 200 mm wheels, a particularly pleasant ride is ensured, even over longer distances. The low-hanging footboard provides additional comfort and ensures an ergonomic posture. The adult design impresses with elegance and quality. Move faster to see more of the city, or simply as a means of transportation on your way to work, the micro scooter black is your ideal companion

- This scooter has a device for the carrying strap
- Multi-mount clip the multi-mount clip ensures easy attachment of the handles during carrying
- Plastic handlebar guide thanks to the special plastic handlebar guide, it is possible to adjust the handlebar easily and smoothly, without the aluminum rubbing against each other and seizing up
