

Lets Bands Powerbands Set PRO

The powerbands SET PRO is the ultimate training tool. In addition to all three powerbands MINI and one powerband MAX in black, it contains the powerbands training manual and a comprehensive DVD with a variety of exercises and workouts. With it, any room - whether on the road or at home - can be transformed into the smallest gym in the world.

CHF 69.00

The powerbands SET PRO. Concentrated power from **powerbands**. With this set you get "the smallest gym in the world" at home, including complete instructions in the form of our training manual and the training DVD. With this set, nothing stands in the way of your workout.

All four bands come in a small mesh bag for easy transport. The PRO set is the ideal solution for those who want to experience the full power of a unique training tool.
