

## Lets Bands Powerbands Set MAX

The Powerbands SET MAX allows you to perform all exercises and workouts and thus not only to choose the training intensity individually, but also to train maximally effectively.

CHF 44.90

With the powerbands SET MAX you get all our powerbands MINI + one powerbands MAX in black. The combination of our powerbands MINI with the powerbands MAX offers you an intensive whole body workout, gentle and effective. A variety of training options are offered and allrsquo: that in different difficulty levels. From warm-up, strength training, muscle building or stabilization to endurance and stretching - there are no limits to the training.

Training with the bands is ideal for injury prevention and can also be used for faster recovery from injuries (here please consult a professional). With this set you have "the smallest gym in the world and can train anywhere and anytime. The bands are handy, light and easy to transport. No matter where you are, nothing stands in the way of a workout - a new dimension of training awaits you.

The powerbands SET MAX contains:

- 1x powerband MINI each in yellow (light), green (medium) and blue (strong)- Mass: 22cm x 5cm
- 1x powerband MAX in blue (strong) - Mass: 102cm x 2cm x 4,5mm (tensile force: 14.30 Kg)
- BONUS: Free 60 days access to Let's Bands Online Gym
- Free powerbands App

ATTENTION: Beware of latex allergies. Our powerbands are not latex free!
