

## Lets Bands Powerbands MINI

### Item available while stocks last

The powerbands MINI - easy to transport and can be used anywhere - whether at home, when traveling or when training in the great outdoors. The flexible bands can be used for everything from stabilization exercises to a variety of varied and effective workouts. Whether in the forest, at home, in the gym or in the office - with the smallest gym in the world, you no longer have to miss out on your workout. Our powerbands are the perfect solution for anyone who wants to train effectively anywhere and at any time.

**CHF 7.20**

To ideally expand your training options, we also recommend our powerbands MAX. These are suitable for intensive strength training and stretching sessions. **OUR RECOMMENDATION:** With the powerbands SET MAX, you have an entire gym in your pocket - for unbeatable value for money.

### ADDITIONAL RECOMMENDATION FOR EVERYONE:

To be able to perform all exercises, we recommend at least our powerbands SET MINI to everyone (beginners to experienced). This enables everyone to choose the desired strength of the band in order to complete their individual and suitable training. In addition, we recommend combining it with one or ideally both powerbands MAX (red and black) to expand your training options. For a perfect and highly effective workout, we also recommend our complete set powerbands SET PRO. This offers all our powerbands with an additional DVD and manual, making it easier to perform the ideal exercises and workouts anytime and anywhere.

**ATTENTION:** Caution with latex allergies. Our powerbands are not latex-free!
