

SKLZ Quick Ladder Pro

Due to the fact that the Quick Ladder Pro can no longer get tangled up with each other, you don't waste any time on your workout. The Quick Ladder Pro lets you be extremely efficient in your workout and you don't have to deal with other things like a long set up for your workout. One can easily fold and unfold the ladder due to its new composition. In short, it is the ladder of ladders, the non plus ultra.

CHF 72.90

- Time saving and no annoying tangles
- Can be extended both laterally and in length as required by weierter ladders
- Low profile to minimize the risk of tripping
- 305 cm long, with 7 rungs and approx. 43 cm space between them
