

SKLZ Speed Chute

This speed parachute allows for maximum acceleration and top run times through resistance and overspeed workouts. The parachute improves stride length and frequency to push top speeds. With the Quick-Release Buckle, you'll harness your stride energy and experience the sensation of shooting forward.

CHF 44.90

- Maximize acceleration and sprint speed with pull resistance and over-frequency training
- 360 degree rotating belt with free-moving loop allows movement in any direction
- Quick release belt buckle allows training with abrupt accelerations
- Adjustable belt fits most athletes
- Excellent sprint training for increased speed, endurance, strength and acceleration.
- Umbrella opens shortly after takeoff for maximum resistance.
