

Tunturi exercise bike F40

The Competence line from Tunturi is the perfect choice for beginners. With a Tunturi Competence machine, you get a high-quality and easy-to-use fitness machine for simple home use. The Tunturi Competence Bike F40 is a bike trainer with 19 different programs and 32 resistance levels. The control panel has an integrated LCD display and simple menu navigation using a rotary knob. This makes this exercise bike very easy to use.

CHF 799.00

But the potential is far from exhausted! Because this Tunturi exercise bike also has the option of connecting a tablet or smartphone via Bluetooth and thus using the exciting possibilities of the i-Console+, Fit Hi Way and Kinomap apps. As soon as you do this, completely different possibilities unfold! Create an account and jog around the world using Google Maps. Various measurements allow you to keep track of your training and share it with your friends on Facebook or Twitter.

The maximum user weight is 135 kg. In addition to pulse measurement on the handles, a chest strap can also be used as an option. The resistance is electronically controlled.
