

Tunturi cross trainer C20R

The Competence line from Tunturi is the perfect choice for beginners. With a Tunturi Competence machine, you get a high-quality and easy-to-use fitness machine for simple home use. The Tunturi Competence C20R cross trainer is a rear-wheel drive cross trainer with 3 different programs and 8 resistance levels. The control panel has an integrated LCD display and simple menu navigation by means of a rotary knob. This makes the crosstrainer very easy to use.

CHF 899.00

The maximum user weight is 135 kg. In addition to pulse measurement on the handles, a chest strap can also be used as an option. The resistance is manually controlled and is a maximum of 250 watts.
