

Inkospor X-Treme Guarana 20 x 25ml

Guarana extract with vitamins and magnesium. 25ml drinking glasses.

CHF 36.00

Do you sometimes also go to the training tired and listless - without motivation and drive after a hard day at work? X-TREME Guarana, increases concentration, invigorates and stimulates the body and dampens the transmission of stimuli, so that the muscles can contract longer. This allows you to load the muscles harder and train more effectively.

Liquid dietary supplement with guarana extract (contains caffeine), vitamins and magnesium. With sweeteners. With preservative. Increased caffeine content (600 mg/100 ml).

Ingredients:

Water, fructose, magnesium citrate, guarana extract (600 mg caffeine/100 ml), vitamin C, preservative potassium sorbate, flavors, calcium pantothenate, sweeteners: Sodium cyclamate, acesulfame K and saccharin sodium, vitamin B6 hydrochloride, vitamin B1 hydrochloride.

Recommended use:

Drink 1 glass of guarana before training, if necessary add to a drink.

Note: 1 drinking glass of Guarana corresponds to the caffeine content of 2 cups of coffee.

Packaging unit: 20 ampoules of 25ml.

Content: 500ml
