

## Personalized weight magazine cover Tall for Hoist Fitness RS-1700

Personalized Tall weight magazine covers for the Hoist Fitness RS-1700 weight training machine from the RS-Line not only offer the opportunity to adapt to the facility and corporate image, but also turn any gym into a real eye-catcher.

**CHF 550.00**

The artwork is identical on both sides of the machine unless otherwise specified. To best assist the designer, specify the frame and upholstery colors for the units ordered, as well as brand guidelines or a website that can be used as the basis for the desired design.

### Specifications:

- the foils are printed with CMYK color
- vectorized graphics are the preferred format, be it a logo or a graphic, as it can be scaled to any size without loss of quality
- File types for vector graphics: .EPS, .PDF, .AI
- all other data must be at 300 DPI and with minimum dimensions to fit the cladding size
- editable graphic file types: .PSD, .PDF

This version of personalized weight magazine cover is only applicable to the RS-1700 device of the RS-Line. **Can only be ordered together with RS-1700**

Disclaimer - please read carefully: Actual frame and upholstery colors may vary from the printed color samples and models shown. These models should be used for reference only. Due to the printing materials and methods used, colors may vary and color matches cannot be guaranteed. To help us match colors as closely as possible, please provide specific CMYK color codes for each color required and note that neon colors are not available. Please note that HOIST logos are placed at the top of the artwork by default.
