

Trigger Point MB2

Fabric covered hard ball - in dopel version
- essential tool for back massage

CHF 35.00

The MB2 Roller offers the possibility to massage the entire back to relieve pain and improve flexibility and mobility of the upper body.

By adjusting the length, the MB2 roller can be used for smaller muscles such as the spine, or by extending it to large muscle groups.

The MB2 Roller is designed to be lightweight, compact and durable, making it easy to take with you on your travels.
