

Body Solid Dip Station for Power Rack SPR500/SPR1000 (SPRDIP)

Body Solid's Dip Station is an option for the SPR500 and SPR1000 Power Rack.

CHF 299.00

Take your dips to the next level with the SR-DIP attachment for the SPR500 and SPR1000 Commercial Power Rack. A lock-in anchoring system provides stability throughout your workout, and the high-quality steel ensures ease of use for all weights and sizes. Two comfort grips provide comfort during even the most strenuous dip workouts.
