

Tunturi Selector Dumbbell 2.5-25KG (14TUSCL383)

Tunturi Selector Dumbbell - the dumbbell system from Tunturi offers a stable and practical dumbbell system and saves the purchase and space of 10 pairs of dumbbells! This adjustable dumbbell can be adjusted from 2.5 kg to 25 kg in 2.5 kg increments.

CHF 259.00

The training weight can be selected via an easy-to-use adjustment system using side dials, so that the weight plates not required remain in the enclosed holders.

The following weight increments can be set for each dumbbell using the adjustment mechanism:

2.5 kg, 5.0 kg, 7.5 kg, 10.0 kg, 12.5 kg, 15.0 kg, 17.5 kg, 20.0 kg, 22.5 kg and 25.0 kg

Scope of delivery: 1 dumbbell with shell

Dumbbell dimensions: L43 x W18cm

Bowl dimensions: L43 x W21cm
