

Tunturi floor protection mats set of 6

The Tunturi floor mats are perfect for protecting sensitive floors in front of large fitness equipment such as cardio machines, treadmills or power stations.

CHF 46.90

The floor mats can be laid easily and securely thanks to the multi-sided interlocking. Slipping apart is reliably prevented. The mats are thick and very firm. This ensures good damping of training noise. The floor mats cover any floor surface cleanly and without slipping.

The Tunturi Puzzle protective mats can be extended indefinitely, but are supplied with removable end pieces all round in each set.

One mat measures 60cm x 60cm (thickness approx. 1.2cm).

6 pieces are included for a total area of 120 x 180cm, 127 x 187cm including edge trim (12 edge trims are included per set)
