

Hoist Fitness 2 x 22.5kg additional weights for Functional Trainer Mi6 and Mi7 (Mi-Weight-Up)

2 x 22.5 kg additional weights for the Mi6, Mi7 and Mi7 Smith Ensemble functional trainers from Hoist Fitness. With the additional weights of 5 x 4.5kg each on both sides, every exercise becomes even more effective. The additional weights provide new training stimuli for every exercise and encourage the muscles used to grow even more.
