

Option for NOHrD Bike: Backrest

The ergonomic backrest ensures a relaxed ride, which means that even long training sessions can be completed comfortably. During training, the posture is corrected and the back is thus protected.

If you want to take it a little easier: The backrest for the NOHrD Bike is an optional addition to the saddle. For completely relaxed bike tours in the living room - lean back and train!

The backrest can be retrofitted at any time and perfectly complements the laptop support.
