

Sponser Amino EAA 140 tablets

AMINO EAA contains 8 essential and the 3 semi-essential amino acids in free form. The combination of free amino acids allows the targeted setting of the desired amino acid profile.

CHF 30.90

Protein supports the growth and maintenance of muscle mass. AMINO EAA contains 8 essential and 3 semi-essential amino acids in free form. The combination of free amino acids allows the targeted adjustment of the desired amino acid profile.

EAA does not provide excess energy and focuses on the essentials - the essential amino acids. This makes EAA ideally suited for athletes who want to limit their protein supply to the bare essentials and do not want to consume additional calories.

Advantages:

- All essential and semi-essential amino acids.
- Very high leucine content (2400 mg/12 tabl.)
- BCAA total (5200 mg/12 tabl.)

Directions:

To be taken alone or in combination with protein or recovery products, divided into 2 servings before and after performance. Do not exceed daily consumption of 12 tablets. Food supplements are not a substitute for a balanced and varied diet and a healthy lifestyle.

Ingredients:

amino acids (L-leucine, L-lysine hydrochloride, L-valine, L-isoleucine, L-threonine, L-tyrosine, L-phenylalanine, L-histidine, L-methionine, L-cysteine, L-tryptophan), fillers (cellulose, E 1201), anti-caking agents (E1202, E551, E4706), coating agent E464

Packaging unit: Box with 140 tablets
