

JK Fitness Aerowork™ 897 Treadmill (AEWO100)

Now running at work is no longer an unattainable dream. The world patented FlipTop design makes it not only a **desk treadmill where you can run and work at the same time**, but also a **standard treadmill for intense workouts**.

CHF 1'990.00

The Aerowork is just what you need to achieve a healthy work-life balance! We all know that excessive sitting is killing us through diabetes, obesity and heart disease. It's time to buy an Aerowork to boost your metabolism, relieve back pain and burn extra calories while you work.

Instead of daydreaming on your desk, running on the treadmill is motivating and focused on work, positively increasing your productivity and creativity.

Features:

- World patented FlipTop design - flip down console to activate desk mode.

- Audio connection
- Tablet holder

Use: home use, payload: approx. 140kg

Unit dimensions: L180 x W85 x H134cm, folding dimensions: L96 x W 86 x H 178 cm, weight 102kg

Accessories: integrated pulse receiver, hand pulse sensors

Options: Transmitter belt, floor protection mats

Warranty: 2 years on labor and spare parts (excludes consumables).

Engine power: 3 HP DC motor

Speed: 0.8-18km/h in 0.1km/h steps

Tread: 140 x 51 cm

Gradient: 0-12% in 1% steps

Training computer: Backlight LCD screen

Displayed values: Speed, distance, incline, calories, time, heart rate, level, program, age and steps

Training programs: 12

Pulse-controlled programs: 3

User-defined programs: keine

Hand pulse sensors: Yes

Pulse receiver: 5khz

Multimedia: foldable console, Bluetooth interface, integrated speakers, audio connection, tablet holder, USB connection

Foldable: Yes

Accessories: integrated pulse receiver, hand pulse sensors

Options: Transmitter belt, floor protection mat

Folding dimensions (length / width / height): L 96 x W 86 x H 178 cm

Dimensions (length / width / height): L 180 x W 85 x H 134cm

Device weight: 102 kg

Payload: 140 kg

Insert: Home
