

## Tablet holder for ICG IC5/6/7 Indoor Cycle

The Bring-Your-Own-Device mount allows you to conveniently and centrally attach your tablet or smartphone to the IC5, IC6 or IC7 Indoor Cycles from ICG/Life Fitness.

**CHF 129.00**

An elastic drawstring ensures maximum variability for tablets and smartphones up to a size of 30.5cm and a maximum thickness of 11mm. The holder can be quickly and easily mounted on the front of the handlebar. The integrated rubber clamp protection also ensures a stable fit and secure attachment of the end device to the bike. For optimal visibility of all important data during a training session, the tilt angle of the mount can be flexibly adjusted individually.
