

## Tunturi gym ball ABS Anti-Burst

The ABS Anti-Burst exercise ball from Tunturi has a thick, hard-wearing and durable outer wall. This makes this exercise ball particularly tear-resistant and durable.

**CHF 24.90**

The exercise ball can be used for a wide variety of exercises and therapies. It is also suitable as a practical sitting ball and helps to prevent tension in the back.

- available in the sizes 55cm, 65cm, 75cm, 90cm
