

VLUV SOVA fabric sitting ball, salmon, 60-65cm

With its mixed, warm colors, VLUV SOVA is very much in line with the Scandinavian, minimalist trend. The coarsely woven upholstery fabric has a woolly, soft surface. VLUV creates a cozy, warm and soft seating area in any home or office. It blends perfectly into any living or working environment. And the VLUV is also healthy: our VLUV has been certified as an ergonomic product by IGR e.V. (Interessengemeinschaft der Rückenschullehrer/Innen e.V.).
