

## PowerBlock dumbbell rack U125 Rack

The dumbbell rack was specially developed for use with PowerBlock dumbbell pairs weighing up to 56.7 kg. The solid and stable construction makes the U125 rack the ideal dumbbell rack for your PowerBlocks.

**CHF 299.00**

The slightly slanted surface makes it easy to remove the blocks. There are holes in the middle between the blocks for storing additional weights.

Suitable for all PowerBlock dumbbell pairs up to 56.7 kg
