

Vision Fitness T600 treadmill

The T600 is designed for demanding studio use and is of course an equally excellent choice for anyone looking for a durable and high-quality treadmill for home use. The powerful 4.2 HP continuous AC motor in combination with a solid steel frame and maintenance-free, reversible running deck ensures years of reliable training use. The extra-large running surface with 2-layer wax-impregnated running mat is also comfortable. The T600 console has 9 preset programs, including heart rate training with extensive training feedback.

CHF 5'249.00

Reliability and durability have long been the hallmarks of Vision Fitness treadmills. The new T600 builds on these strengths with a modern, streamlined design, an extra sturdy frame, an even larger running surface and an even more powerful motor. The clear, bright display is easy to use and gives you clear feedback on your workout.

Features:

- powerful 4.2hp/3.2kW AC motor with dynamic Responsive Drive System for smooth and reliable performance
- Training computer with 10 x 14 dot matrix LED profile display, 19 alphanumeric LEDs with scrolling feedback and associated HR zone display, as well as display for time, pace, incline, distance, speed, level, calories, METs, target HR, current HR, profile
- 6 training programs (manual, interval, target+ (time target, distance target, calorie target), random)
- Fitness test
- 2 heart rate controlled training programs (target HR, weight reduction, including BMI test)
- joint-friendly cushioning system with eight elastic shock absorbers arranged in such a way that the softest is located at the point of impact and the hardest at the back for support - Ultra Zone Cushioning System for excellent cushioning properties
- Strap thickness 2.3mm, 2-ply, waxed, antistatic
- Deck 25.4mm - pre-waxed, maintenance-free, coated on both sides and reversible

- Running mat/deck - the materials are matched so that friction remains constant and does not increase during use; therefore no external lubrication with silicone spray required
- Gradient electronically adjustable 0-15%
- Speed electronically adjustable from 0.8-22 km/h in 0.1 km fine increments
- Program direct selection buttons
- Running surface 155 x 56cm
- Belt thickness 2-ply, 2.3mm thick, waxed belt, antistatic
- Roller diameter 7.6 cm
- Height compensation
- Handrails with closed construction
- Loudspeaker
- recommended retail price CHF 5'999.--

**The Vision Fitness T600 treadmill requires a separately fused T23 socket for proper operation.
The supplied cable does not fit into normal sockets.**

Use: home use to light institutional use, payload: approx. 182kg

Equipment dimensions: L215 x W91 x H154cm, weight 150kg

Accessories: integrated heart rate receiver, hand pulse sensors, 2-fold bottle holder, heart rate transmitter belt, shelf for book/tablet

Warranty: **CH service** - home use: 2-year full warranty, light institutional use: 1-year full warranty

Engine power: 4.2HP/3.2kW AC Motor

Speed: 0.8-22km/h in 0.1 km/h steps

Tread: 155 x 56 cm

Gradient: 0-15% in 1% steps

Training computer: 10 x 14 dot matrix LED profile display

Displayed values: Time, pace, incline, distance, speed, level, calories, METs, target HR, current HR, profile

Training programs: 6

Pulse-controlled programs: 2

User-defined programs: keine

Hand pulse sensors: Yes

Pulse receiver: 5kHz and Bluetooth

Multimedia: integrated speakers, cup holder

Foldable: No

Accessories: integrated pulse receiver, hand pulse sensors, 2-fold bottle holder, pulse transmitter belt, tray for book/tablet

Options: Bluetooth transmitter belt, floor protection mat

Folding dimensions (length / width / height): No

Dimensions (length / width / height): L 215 x W 91 x H 154cm

Device weight: 150 kg

Payload: approx. 182 kg

Insert: Home to light institutional use
