

Bruce Lee Coaching Trainer Pads PU (14BLSBO033)

The Bruce Lee hand pads have been manufactured for a targeted boxing and punch training. The soft EVA foam padding absorbs punches and kicks during boxing training and the wrist is protected.

CHF 39.00

Special pockets for the hands on the back of the pads protect and stabilize the hands additionally and prevent slipping of the hand pads. The trainer pads are made of high quality PU material (synthetic leather) and have an innovative design.

- EVA foam padding for protection and shock absorption
- PU material (synthetic leather)
- Color: black/yellow
