

Powerline Smith Gym PSM1442XS

The combined Power Rack system with the built-in latissimus traction machine offers you versatility and the greatest possible benefit for your strength training.

CHF 1'999.00

With the 14-way adjustable dumbbell rack, you can change to the desired height within seconds. For optimal chest training, the butterfly station is already included in the offer, as well as the universal bench, the arm biceps station and the leg extension / curl part.

With the Powerline Smith Gym, you'll have virtually no time wasted between exercises because there's no need to change cables.

Patented Super-Glide nylon bushings ensure a smooth workout.

The following 8 options are included with the Powerline Smith Gym:

- Smith machine with 25mm disc pad (PSM144X).
- Lat/row pull station with 25mm disc support (PLA144X)
