

Horizon Fitness Bluetooth Transmitter Belt

For a safe and effective workout, you should always keep an eye on your heart rate during training. The Horizon Fitness Bluetooth chest strap shows the heart rate on the display of models with integrated Bluetooth receiver accurately and reliably.

CHF 59.00

With the Horizon Fitness Bluetooth chest strap you have your heart rate permanently in view! It transmits your heart rate accurately and reliably via Bluetooth 4.0 to your iPhone or Android device. It is also compatible with many fitness apps and the battery can be easily replaced if necessary. The Horizon Fitness Bluetooth chest strap can also be used to control pulse-controlled programmes (depending on the model of the fitness device).
