

NOHrD DumbBells Set Club 5-25kg

The NOHrD DumbBells offer a complete set of dumbbells with two dumbbells per weight from 5 kg - 25 kg in 2.5 kg increments. The dumbbells are CNC machined from nickel-plated steel and have a comfortable ribbed handle for a secure grip. True to the unmistakable NOHrD style, the solid wood decorative discs give the DumbBells their aesthetic finishing touch.

CHF 6'749.00

The NOHrD DumbBells are available together with the DumbBell rack in the complete NOHrD wooden range. DumbBells and rack feature both a slim and elegant design: the diameters of the DumbBells are kept uniform in each weight row, while the angled solid wood frame of the dumbbell rack has been designed not only to save space but also for maximum stability.

Design: Club (made from beech wood and then stained rose and black)
