

NOHrD DumbBells set walnut 5-25kg

The NOHrD DumbBells offer a complete set of dumbbells with two dumbbells per weight from 5kg - 25kg in 2.5kg increments. The dumbbells are CNC machined from nickel-plated steel and feature a comfortable ribbed grip for a secure hold. True to the unmistakable NOHrD style, the solid wood decorative discs give the DumbBells their aesthetic finishing touch.

The NOHrD DumbBells are available together with the DumbBell Rack support shelf in the complete NOHrD wooden range. Dumbbells and rack feature both a sleek and elegant design: the diameters of the DumbBells are kept uniform in each weight row, while the angled solid wood frame of the dumbbell rack is designed not only to save space, but for extreme stability.
